**Holy, Holy, Holy! Lord God Almighty!**

*John Bacchus Dykes, 1861*

Holy, holy, holy! Lord God Almighty!  
Early in the morning our song shall rise to Thee;  
Holy, holy, holy! merciful and mighty!  
God in three Persons, blessed Trinity.

Holy, holy, holy! all the saints adore Thee,  
Casting down their golden crowns around the glassy sea;  
Cherubim and seraphim falling down before Thee,  
Who wert, and art, and evermore shalt be.

Holy, holy, holy! though the darkness hide Thee,  
Though the eye of sinfulness Thy glory may not see,  
Only Thou art holy; there is none beside Thee,  
Perfect in power, in love and purity.

Holy, holy, holy! Lord God Almighty!  
All Thy works shall praise Thy name, in earth and sky and sea;  
Holy, holy, holy! merciful and mighty!  
God in three Persons, blessed Trinity!

\*Those who are able shall stand.

Even before we call on your name to ask you, O God,  
When we seek for the words to glorify you, you hear our prayer.  
Unceasing love, O unceasing love surpassing all we know.  
Glory to the Father, and to the Son, and to the Holy Spirit.

Even with darkness sealing us in, we breathe your name,  
And through all the days that follow so fast, we trust in you.  
Endless your grace, O endless your grace beyond all mortal dream.  
Both now and forever, and unto ages and ages, Amen.

## Academic Regalia

Academic regalia is a tradition dating from the Middle Ages, when long robes and hoods were everyday attire designed to protect against the cold and drafts of medieval university halls. It remains the costume at some British universities.

The many variations in academic dress are not incidental, but are rich in meaning. Each costume represents both the degree held by the wearer and the institution that awarded it. Though European universities have been free to adopt any style they choose, a considerable degree of standardization has been achieved in the United States. Following are some of the elements of the code of academic dress.

**HOOD:** The hood, which is draped down the back, carries more symbolic significance than any other part of the costume. The border, extending over the shoulders to meet in a "V" at the front, indicates by its colors the discipline in which the degree was earned. Colors for some of the faculties are white (arts, letters, humanities); cream (social science); dark blue (philosophy); light blue (education); scarlet (theology); pink (music); golden yellow (natural science); lemon (library science); nugget (business, accounting); and sage green (physical education).

The lining of the hood, partly exposed, shows the colors of the degree-granting university (for Whitworth, red and black). Doctoral hoods are longer than those of master's degree recipients and have a wider border. Recipients of the bachelor's degree do not wear hoods.

**GOWN:** Black gowns are the rule, but a few universities use other colors. A doctor's gown is recognizable by three horizontal velvet bars on each sleeve, which are either in black or the color of the discipline in which the degree was granted. Typically, a doctor's gown also has velvet panels down the front. The typical master and bachelor gowns do not have decorated panels or sleeves.

**CAP:** The familiar hard-topped mortarboard, or "Oxford cap," has long been standard, but a soft tam is increasingly common. The tassels are usually black or the color adopted by the discipline. The tassel on a doctor's cap is usually metallic gold.

## The Banners

The banners carry the seals of the Presbyterian Church (USA) and Whitworth College. Designed for the 1988 Commencement by Professor Emeritus of Art Walter "Spike" Grosvenor and constructed by Grosvenor, his wife, Erlene, and Art Professor Barbara Filo, these banners are a permanent part of the Commencement exercises.

## Graduation Honors

Graduation honors at Whitworth College are based on the traditional Latin wording: *cum laude* (with honor), *magna cum laude* (with high honor), and *summa cum laude* (with highest honor). The criteria for these honors are based on the grade point average earned at Whitworth College, as follows: *cum laude*, 3.50 and above; *magna cum laude*, 3.75 and above; *summa cum laude*, 3.90 and above.

Honor cords are awarded to baccalaureate candidates based on cumulative GPA. Bronze cords denote *cum laude*, silver cords indicate *magna cum laude*, and gold cords signify *summa cum laude*.

Membership in the Laureate Society is granted to every degree-seeking undergraduate student who has completed the previous semester with a minimum grade point average of 3.75 for a minimum course load of 12 graded semester credits. Eligibility for the President's Cup is based on the highest cumulative grade point average for a graduating senior who has completed the entire baccalaureate degree in full-time attendance at Whitworth College.

## Clarifications

(1) Participation in Commencement and inclusion in the Commencement program does not guarantee official granting of a degree. The Registrar's Office verifies completion of all coursework and degree requirements for baccalaureate-degree candidates. The Graduate Office or specific graduate program performs the same function for master's-degree candidates.

(2) The official document verifying degree completion is the Whitworth College transcript, signed and sealed by the registrar.

(3) Academic honors appearing in this program are based upon credits completed prior to the spring semester. Final honors recognition will appear on transcripts and is based upon Whitworth College academic credits used to meet requirements.
